Assembly Worker

Description

We are currently seeking dedicated Assembly Workers to join our client's team. Our client is a leading manufacturer of custom-made outdoor blinds and roller shutters for both private and project sun protection. With two assembly locations in Cuijk, they supply specialists in the field throughout the Netherlands and neighboring countries.

Job description

As an Assembly Worker for our client, you will play a crucial role in the manufacturing process of ready-to-use sun protection products. Our client specializes in the production of custom-made outdoor blinds and roller shutters, catering to professionals in the field of both private and project sun protection.

Working from our two assembly locations in Cuijk, you will be responsible for assembling and fabricating the sun protection products according to customer orders. This includes meticulously following assembly instructions, ensuring precise measurements, and utilizing various tools and equipment to achieve high-quality results.

Attention to detail and craftsmanship will be essential in this role, as you will be responsible for creating products that meet the highest standards of quality and functionality. You will work closely with a team of skilled professionals, collaborating to meet production targets and deliver exceptional products to our customers.

Job Benefits

What we offer you as an Assembly Worker:

- Day shift system;
- 25 holidays (including 6.5 ADV);
- Opportunities for career growth within the company;
- Working with a motivated team of passionate individuals.

Qualifications

What we expect from you as an Assembly Worker:

- Previous experience in assembly work;
- Proficiency in English language;
- Own accommodation and transportation;
- Ability to work independently as well as in a team.

How to apply?

If the Assembly Worker position has piqued your interest, we would be delighted to receive your CV. You can fill out the application form and press on "Send Application".
